Edward L. Bouie School History

Welcome to Edward L. Bouie , Sr.

Traditional Theme School, home of the Firebirds! We are situated on 36 acres of prime land in the shadow of Panola Mountain Park and convenient to suburban living, shopping and interstate I-20 in southeast DeKalb County. We currently serve approximately 600 students in Pre-Kindergarten through fifth grade in an instructional setting that features a hands-on interdisciplinary approach to learning, Spanish as the World language offered, low-teacher-pupil ration and a staff that is dedicated to instruction of the whole child in a safe environment.

Edward L. Bouie, Sr. was born October 27, 1923 in Blakely, GA. He was the first African American appointed as Assistant Superintendent in the DeKalb School system. He retired in 1989 after completing 39 years of service. Dr Bouie died on October 14,1992. Edward L. Bouie is the first elementary school in DeKalb County to be named in honor of an African American.

Bouie Theme School is offered by DeKalb County School System as part of the School Choice Program. Students wear uniforms to show solidarity and focus attention on learning. Our parents actively participate in the education of their children by volunteering eight hours at the school each semester. An active PTA and Parent School council support us throughout the school year. It truly " takes a village"..... the collaborative partnership of parents, teachers, and community business leaders, who enhance our instructional program and recognize student and teacher achievement.

Daily Schedule

Our School day begins at 7:45 a.m. for our parents' convenience, we offer after-school care ending at 6:00 p.m. The program, affectionately called "Firebird Nest", offers time for homework, study, the performing arts and snacks.
